SUBJECT INDEX

Accessory cholera euterotoxin, cloning and expression 856
Acute flaccid paralysis surveillance in Malaysia 421
Adenosine deaminase and TB diagnosis 730
Adenosine deaminase in bronchoalveolar lavage 730
Aedes mosquitos, surveillance by geographical information system 918
Aedes oviposition preferences 599
Age-period-cohort analysis of dengue/dengue hemorrhagic fever, 1981-2000 913
Air pollution among asthmatic children, daily pulmonary function 990
Ajuga remota against mosquitos larvae 608
Angiostrongylus cantonensis, common antigenicities between worms and snails 780
Anopheles dirus transmission of malaria in Lao PDR 309
Antimalaria activity screening by CyQUANT cell proliferation assay 840
Antimalarial drugs development, Qinghaosu and dihydroqinghaosu 250
Antimicrobial use in the treatment of diarrhea in Thai children 181
Artesunate and *vivax* malaria 570
Aspergillosis of the central nervous system 119
Auto-disable syringes, introduction in developing countries 1019

Bacteria in day-care centers in Nigeria 202
Bacterial flora of hospital waste, evaluation of waste treatment 986
Bacterial meningitis in adults 886
Bancroftian filariasis in India 583
Beliefs about smoking 756
Biological specimens for manganese detection 764
Bird-to-bird West Nile virus transmission 162
Blastocystis hominis and irritable bowel syndrome 705
Blood donors in Thailand, prevalence of HCV 147
Blood glucose control for type 2 diabetes mellitus patients, Turky 1012
Brucellosis re-emerging in Thailand 109

Campylobacter molecular characterization 670
CD4 counts in the HIV infected Indian population 144
Chikungunya outbreak in Indonesia 408
Chlorophytes and their effect on mosquito larval survival 79
Chloroquine resistance *P. falciparum* in Pakistan 288
Chloroquine use for vivax malaria 566
Cigarette smoking and pulmonary tuberculosis 219
Clinical status of pulmonary tuberculosis in Taiwan 136
CMV, HHV-6 and EBV in periodontitis 635
Combined vaccines in infants primed with hepatitis B vaccine 685
Common antigenicities between *Angiostrongylus cantonensis* and snails 780
Community acquired MRSA in India 371
Coxiella burnetii detection by PCR and nested PCR 852
Crouzon syndrome, prenatal exclusion by mutation analysis of *FGFR2* 977
Cryptococcal meningitis in an immunocompetent child 930
Cryptococcosis in HIV-infected children 935
Cryptosporidium development in various cell lines 540
Cryptosporidium oocysts and *Giardia* cysts occurrence in the Malaysia aborigine 801
CyQUANT antimalarial sensitivity assay 840
CyQUANT cell proliferation assay for antimalarial activity screening 840
Cysticercosis: IgG-ELISA evaluations of peak1 antigen 1

DEC for testing and treatment of Bancroftian filariasis 591
Dengue diagnosis in early stages of illness 391
Dengue knowledge assessment 614
Dengue myocarditis 611
Dengue risk in travelers 155
Dengue virus-infected *Aedes* mosquitos, the surveillance by GIS 918
Dengue/dengue hemorrhagic fever in Bangkok, Thailand, temporal trends, 1981-2000 913
Densovirus infectivity in *Anopheles minimus* 630
Depression-job related risk factors 468
Dermatomycosis diagnosis with trypsin treatment 396
Detection of beta-agonist residues in meat by ELISA 481
Detection of *t,t* muconic acid and *S*-phenylmercapturic acid 717
Development of *Isospora belli* in different cells lines 796
DHF and mycoplasma dual infection 399
DHF encephalopathy in an adult 160
Diagnosis of dengue in early illness 391
Diagnosis of leptospirosis with DNA probes 346
Diarrhea and antimicrobials in children 181
Diarrheal parasites in Napal 19
Diazepam in treating severe tetanus 175
Drug-resistant TB trends in Thailand 649

Economic burden of varicella in Singapore 693
ELISA test kit for detection of beta-agonist residues in meat 481
Encephalopathy due to DHF 160
Endemic malaria in Lao PDR 547
Enterohemorrhagic *Escherichia coli*, characterization of recombinant antibodies 902
Eosinophitic meningitis treatment 172
Epidemiology of HIV-1 in northeastern Thailand 641

Factor V mutations in Thai blood donors 450
Falciparum malaria, intestinal helminths, decreased liver size and sCD23 concentration 31
Falciparum malaria-rapid diagnosis with the KAT™-Quick rapid malaria test 35
Fasciola metacercariae ingestion by *Lymnaea* 535
Fatty acid and cholesterol in eggs 1036
Filarial transmission and housing type 587
Filariasis control and the effects on intestinal helminths in Thailand 63

Flow cytometry in malaria detection 552
Frequencies of MICA gene polymophism 195
Fructose-induced blood ethenol changes 476

Gastrointestinal lymphoma in Thailand, clinicopathologic analysis 966
Gender difference in TB treatment seeking behavior 126
Gender differences in leprosy treatment completion 334
Geographic information system, surveillance of dengue virus-infected *Aedes* mosquitos 918
Geographic medical supply inequalities 735
Geohelminthic reinfection patterns in India 512
Giardia cysts and *Cryptosporidium* oocysts occurrence in the Malaysia aborigine 801
Giardia lamblia, effects of infection in rat model 811
Gnathostoma in fish, Thailand 523
Gnathostoma infection in swamp eels, seasonal variation 786
Gnathostoma spp from pineapple digested eels viscera 267
Gram-negative bacteria in cockroaches 681
Group C streptococcal bacteremia, India 877

Haemophilus influenzae type B CRM_{197} conjugated vaccine administered to healthy infants 927
HCV in Thai blood donors 147
Helicobacter pylori rapid diagnosis 676
Helmet use and related risk behaviors 232
Hemophilia survey in Thailand 445
Hepatitis A rirus infection in children with biliary atresia 959
Hepatitis A vaccine in Korean children and adolescents 954
Hepatitis A vaccine, field performance in Chinese children 949
Hepatitis A, B, and C in central Thailand 416
Heroin addicts, HIV risk behavior and practices, Pakistan 940
Hib conjugated vaccine, assessment of safety, tolerability and immunogenicity 927
HIV in India, CD4 counts 144
HIV patients with salmonellosis in Malaysia 361
HIV patients with tuberculosis in Malaysia 141
HIV risk behavior and practices among heroin addicts, Pakistan 940

Immuno diagnostic assays for human leptospirosis 863
Infective eudocarditis, bacterial isolation and antimicrobial susceptibilities 897
Insecticides use in Malaysia against *Anopheles balabacensis* 68
Intestinal helminths in falciparum malaria with decreased liver size 31
Intestinal parasites in Belize 506
Intestinal parasitic in Nepalese schoolchildren 501
Isospora belli development in different cells lines 796

Japanese encephalitis in India 618
Job stress and dissatisfaction in Malaysian lecturers 210

KAT™-Quick rapid malaria test 35

Lead exposure and child development 252
Leber's optic neuropathy in a Thai patient 167
Leprosy treatment completion and gender differences 334
Leptospirosis, evaluation of immudiagnostic assays 863
Liver abscess in Nepal 425

Malaria among the migrant population along the Thai-Myanmar border 48
Malaria control in Malaysia by spraying insecticides against *Anopheles balabacensis* 68
Malaria control in Myanmar - knowledge, attitudes and practices 53
Malaria control with mefloquine in Thailand 300
Malaria diagnosis using flow cytometry 552
Malaria disease mapping using a mixture model 38
Malaria infection and life-style factors among hilltribes, Thailand 834
Malaria parasite developmental analyses by the nested PCR 820
Malaria transmission by *Anopheles dirus* in Lao PDR 309
Malaria vector density change in Thailand 316
Mapping of malaria disease using a mixture model 38
MB leprosy and MDT in Indonesia 340
MDT of MB leprosy patients, Indonesia 340
Mefloquine in Thailand 300
Mefloquine resistance and *Plasmodium falciparum* 560
Methamphetamine abuse and pregnancy 228
Methicillin-resistant *Staphylococcus aureus*, detection of phenotypic methods 879
MHC class I sequences in *Schistosoma japonicum* infected mice 10
MICA gene polymorphism in Indonesia 195
Microalgae and their effect on *Aedes aegypti* larvae 79
Migrant population along the Thai-Myanmar boder and malaria 48
Mitochondrial DNA mutation and Leber's optic neuropathy 167
Model for mapping malaria disease 38
Molecular subtyping of *Salmonella enterica* serovar Tshiongwe 92
Mosquito infection rate, the evaluation by the nested PCR 820
Mosquito larval survival as effected by chlorophytes 79
MRSA acquired in the community 371
Myanmar and malaria control - knowledge, attitudes and practices 53
Mycoplasma and DHF dual infection 399

Naegleria spp zymogen patterns 275
Neonatal dengue 403
Non-transferrin bound iron in human sera, quantification 1039
Nutrition and parasitosis in Sri Lankan children 255

Occurrence of *Giardia* cysts and *Cryptosporidium* oocysts in Malaysia aborigine 801
Oral health of children in Cambodia 458
Oral histoplasmosis in a non-HIV patient 388
Orientia tsutsugamushi strains characterization in China 353

P. falciparum chloroquine resistance in Pakistan 288
P. falciparum glutathione-*s*-transferases 292
P. vivax antigen detection in malaria endemic area, Nepal 828
Parafilaria bovicola, from a human eye in Thailand 817
Parasites from diarrheal stool in Napal 19
Parasitosis and the nutritional status of Sri Lankan children 255

PCP diagnosis in multiple induced sputae 702
PCR and nested PCR assays for *Coxiella burnetii* detection 852
PCR technique for *Toxoplasma gondii* detection in animal 792
Pediatric subdural empyema 434
Pharmaceutical quality in Cambodia 741
Pharmacokinetics of dihydroartemisinin and artesunate 575
Pineapple juice for digestion of eel viscera 267
Plant product development against mosquito vectors 325
Plasmodium falciparum and mefloquine resistance 560
Pneumonia surveillance in Thailand 711
Prince Mahidol Award, 2003 249
Pseudomonas aeruginosa, prevalence and antimicrobial susceptibility 893
Pulmonary melioidosis 384
Pulmonary melioidosis in adults 664

Quality of pharmaceuticals in Cambodia 741
Quinghaosu and dihydroquinghaosu development 250

Radiotherapy related fatigue in cancer patients 463
Renal stone formation, effects of calcium supplement 1028
Rickettsioses predictive factors 657
Risk assessment towards tuberculosis among hospital personnel 1005

Salmonella enterica serovar Tshiongwe in Malaysia 92
Salmonellosis in HIV patients in Malaysia 361
SARS coronavirus detection methods 623
Schistosoma DNA vaccine in mice 518
Schistosoma japonicum and MHC Class I sequences in mice 10
Scrub typhus during pregnancy 358
Scrub typhus infection and gastrointestinal manifestations 845
Seasonal variation of *Gnathostoma* infection in swamp eels 786
Severe community acquired pneumonia in Thailand 430
Severe tetanus treatment 175
Shigella vaccine in rural China, perceptions and behavioral change models 97
Smoking among adult males in Karachi, Pakistan 999
Smoking deceivers and smoking cessation 748
Snake bites, prevalence in district hospital, Wast Malaysia, 1999-2000 962
Soil-transmitted helminthiases and health behaviors in schoolchildren 260
Soil-transmitted helminths in Bhutan 777
Staphylococcus aureus, detection of methicillin-resistant, -borderline and -susceptible strains 879
Streptococcus suis meningitis in Thailand 868
Superior vena cava obstruction in adults 453
Swimming pool contamination in Nigeria 488

Taenia solium antigen evaluations 1
TB risk factors among household contacts 375
T-cell epitope diversity in the *P. falciparum* CS gene 281
The nested PCR for the evaluation of malaria parasite development 820
The TRISS model in Thailand 188
The trombiculid mite, *Neotrombicula nagayoi*, and human dermatitis 113
Toxoplasma gondii in animal amniotic fluid, detecting technique 792
Toxoplasma oocysts detection methods in the soil 270
Toxoplasmosis in human in Malaysia 24
Traumatic spinal cord injury, functional independence and rehabilitation outcome 980
Travelers and dengue risk 155
Treatment of disseminated strongyloidiasis 531
Tuberculosis among hospital personnel, risk assessment 1005
Tuberculosis and cigarette smoking 219
Tuberculosis in Bangladesh, gender difference in treatment seeking behavior 126
Tuberculosis in HIV infected patients, Malaysia 141
Tuberculosis in Taiwan, a clinical subset 136
Two-dose *versus* one-dose varicella vaccine 697
Typhoid fever, diagnosis using the Widal test in Nigerra 88

Urine phenol among Thai police, implications for occupational health 1034

Vaccine against schistosoma in mice 518
Ventilator-associated pneumonia in a newborn 724
Vibrio cholerae virulence gene, cloning and expression 856
Vivax malaria and artesunate 570
Vivax malaria and chloroquine use 566
Vocal cord polyps 169

West Nile Virus bird-to-bird transmission dynamics 162
Widal agglutination and the diagnosis of typhoid fever 88
Widal test, local *vs* imported 366

Xylitol chewing gum, effect on mutans streptococcus 1024

Zymogram patterns of *Naegleria* spp 275
